

BRIAN HEAGLE

Proven Leadership.
The Right Experience.
Our Best Choice to Win.

Members and Friends,

Can you believe the Provincial Election is only a few months away?

The Nomination Meeting will be announced soon, and I'm asking for your vote.

To vote, you must be a member of the Ontario PC Party. If you're not a member, contact me or register online at my website. Please encourage family and friends to join too (14 years of age and up).

Every vote is important. Your decision should be carefully considered.

Similarly, seeking the nomination is far too important to merely treat it as a job application submitted at the last minute. **Representing your interests at Queen's Park is a tremendous responsibility and privilege.** It's more than a job, it's a calling.

A candidate must be committed, without hesitation, to public service and Burlington's proud conservative values, which are needed now more than ever.

Earlier this year, I made that commitment to you by stepping forward and being approved as a candidate by the Ontario PC Party. I can't wait to start working for you!

Listening to you is my top priority. Always feel free to contact me. I will also be phoning you to join me at upcoming roundtables – so we can learn more about each other and discuss the nomination, "changebook" and more.

My supporters and I have a strong leadership team primed and ready for the Provincial Election. First, though, we need your vote at the Nomination Meeting.

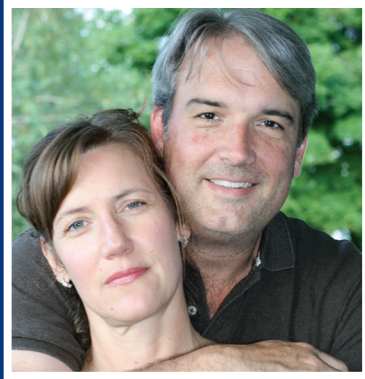

Let's be united and win on October 6! Thank you for your support.

ONTARIO  **PC**

Let's bring an end to the out-of-touch McGuinty government's endless tax grabs, expensive energy experiments and bloated bureaucracies. Tim Hudak and his team will get Ontario back on track!

[change  **book]**

Government must be fiscally conservative and socially progressive. Those principles align best with the Ontario PC Party.

Please vote for **proven local leadership** so that, together, we can build on the Ontario PC Party's winning record in Burlington.
